Courtney: I think we can push the agenda a little bit by forefronting whatever we do audio-wise. Also offer whatever we do alphabetically. But what we're going to list first, what we're going to point people to first is always going to be the audio. That still achieves the political goal.

Kyle: Yes. I like that.

Courtney: Okay.

Kyle: So with that, I don't—yeah, I think, I think I'm just gonna keep working on the typewritten version, and we're gonna see what going back to it inspires.
